Ref: Wycombe Valley Link – Active Travel Scheme

Dear Resident / Business Owner,

Statutory consultation for the introduction of highway, walking and cycling improvements in the High Wycombe Valley Link area is now open

Buckinghamshire Highways are proposing a package of improvements in the High Wycombe Valley Link area to make it safer and easier for people to walk, cycle, wheel and cross the road. All the traffic regulation order amendments have been identified as a result of changes to the highway layouts.

Proposed Changes

Location	Extents	Proposal
Hughenden Park	Along the existing path within Hughenden Park, between the northern gate access to Hughenden Manor and the southern park access from Coates Lane (approximately 535m in length)	Upgrade the existing path to provide a new shared-use route for pedestrians and cyclists – extension of Double Yellow Lines
Coates Lane	Opposite 21-25 Coates Lane (Park Side)	Extension of Double Yellow Lines
	Near house no 12	Introducing a new toucan crossing
	Between Jumelle Mews and Hughenden Park	Convert the existing footway to a shared-use pedestrian and cycle facility
	At the proposed toucan crossing	Removal of existing Double Yellow Lines
Hughenden Boulevard	Southern arm of the junction with Hughenden Avenue	Convert the existing pedestrian crossing to a toucan crossing to provide a shared-use crossing facility
	Near Hughenden Park Student Village	Upgrade the existing uncontrolled crossing with the introduction of a raised table crossing (75mm high)
Bellfield Road	At the existing uncontrolled crossing on Western arm of the roundabout	Introduce a new raised (75mm high) parallel zebra crossing
	At roundabout (Northern / Western side)	Introduction of new cycle track
