

Our vision: The right place at the right time

Every child and young person in Buckinghamshire can access high-quality education, childcare and SEND provision close to home that meets their needs, supports their outcomes and unlocks their potential, and enables them to thrive into the future.

Our priorities

1. Expand mainstream capacity
2. Support children with SEND
3. Tackle surplus school places
4. Expand pre-school provision
5. Expand wraparound provision

How we will deliver

- Partnerships with schools, trusts and early years providers
- System leadership driven by the Strategic Education Partnership
- SEND reform programme
- Education infrastructure planning
- Data-led forecasting and sufficiency reviews
- Sustainable funding and developer contributions

Success measures

- Every child offered a suitable local school place
- More local mainstream and specialist SEND provision
- Reduced reliance on independent placements
- More children educated closer to home
- Increased childcare access
- Sustainable school system
