

Chiltern and South Buckinghamshire Alcohol Restriction Public Spaces Protection Order (PSPO) consultation 2025

Open date: 6 January 2025

Close date: 16 February 2025

Name: Community Safety Team

Email: anti-social-behaviour@buckinghamshire.gov.uk

Overview

We are reviewing all Public Spaces Protection Orders (PSPOs) across Buckinghamshire.

We want to hear your views on our proposals to:

- **expire the existing Chiltern District Alcohol Consumption Public Spaces Protection Order, introduced by Chiltern District Council**
- **introduce a new Buckinghamshire Council, Chiltern and South Buckinghamshire Alcohol Restriction Public Space Protection Order**

We have a key role to play in helping make local places safe to live, visit and work in. Tackling anti-social behaviour continues to be a high priority for us and our partners across the county.

Public Spaces Protection Orders are aimed at ensuring public spaces can be enjoyed free from anti-social behaviour. They provide us with legal powers to deal with a particular nuisance or problem in a defined area.

It is key that we address and reduce these issues from occurring, by consulting with members of the public and other key stakeholders, in order to focus on areas of concern.

We want to hear from those who live, work in or visit Chiltern and South Buckinghamshire and from representatives of organisations in these areas.

Information about Public Spaces Protection Orders (PSPOs):

What is a PSPO?

Public Spaces Protection Orders (PSPOs) are intended to deal with a particular nuisance or problem in a specific area that is detrimental to the local community's quality of life, by imposing conditions on the use of that area, which apply to everyone.

Councils can use PSPOs to prohibit specified activities, and / or require certain things to be done by people engaged in particular activities, within a defined public area.

A single PSPO can be used to target a range of different antisocial behaviour issues.

A PSPO can last for up to three years, after which it must be reviewed.

What can PSPOs be used for?

PSPOs can be used to restrict a broad range of activities.

Under section 59 of the Anti-Social Behaviour, Crime and Policing Act 2014, local authorities must be satisfied on reasonable grounds that the activity subject to an Order:

- has a detrimental effect on the quality of life of those in the locality (or it is likely that activities will take place and have such an effect)
- is (or is likely to be) persistent or continuing in nature
- is (or is likely to be) unreasonable
- justifies the restrictions being imposed.

How are PSPOs enforced?

Authorised officers from Buckinghamshire Council and the Police will be able to enforce the restrictions and requirements of a PSPO, which can include issuing Fixed Penalty Notices.

The Fixed Penalty Notice for a breach of a PSPO is £60 if paid within 10 days, and £100 if paid within 14 days.

Chiltern and South Buckinghamshire Public Spaces Protection Order (PSPO)

What we are proposing

The [Chiltern District Alcohol Consumption PSPO](#) was introduced, by Chiltern District Council, on 31 October 2019. The PSPO expires on 5 October 2025.

We are proposing to:

- expire the current Chiltern District Alcohol Consumption Public Spaces Protection Order
- introduce a new Public Space Protection Order for Chiltern and South Buckinghamshire

We have engaged with local stakeholders, community boards, town and parish councils, Thames Valley Police, Council services, and members of the business community to develop the proposed PSPO.

The proposed PSPO will prohibit the following activity associated with anti-social behaviours:

- consuming alcohol or being in possession of an open container of alcohol

We are proposing to introduce the PSPO to prevent:

- occurrence or re-occurrence of the anti-social behaviour identified in the Order
- an increase in the frequency or seriousness of the anti-social behaviour identified in the Order

For further details on the proposed locations of the Order, please visit yourvoicebucks.citizenspace.com

By taking part in the survey, you have the opportunity to identify other types of anti-social behaviour that you think should be included in the PSPO.
