Overview

We want to hear your views on our proposal to extend an existing Public Spaces Protection Order in Desborough Road, High Wycombe.

We have a key role to play in helping make local places safe to live, visit and work in. Tackling anti-social behaviour continues to be a high priority for us and our partners.

Public Spaces Protection Orders are aimed at ensuring public spaces can be enjoyed free from anti-social behaviour. They provide us with legal powers to deal with a particular nuisance or problem in a defined area.

It is key that we address and reduce these issues from occurring, by consulting with members of the public and other key stakeholders.

We want to hear from residents and organisations in the Desborough Road area of High Wycombe as well as those who visit the area.

What is a PSPO?

Public Spaces Protection Orders (PSPOs) are intended to deal with a particular nuisance or problem in a specific area that is detrimental to the local community's quality of life. This is achieved by imposing conditions on the use of that area, which apply to everyone.

Councils can use PSPOs to prohibit specified activities, and / or require certain things to be done by people engaged in particular activities, within a defined public area.

A single PSPO can be used to target a range of different anti-social behaviour issues. A PSPO can last for up to 3 years, after which it must be reviewed.

What can PSPOs be used for?

PSPOs can be used to restrict a broad range of activities.

Under section 59 of the Anti-Social Behaviour, Crime and Policing Act 2014, local authorities must be satisfied on reasonable grounds that the activity subject to an Order:

- has a detrimental effect on the quality of life of those in the locality (or it is likely that activities will take place and have such an effect)
- is (or is likely to be) persistent or continuing in nature
- is (or is likely to be) unreasonable
- justifies the restrictions being imposed.

How are PSPOs enforced?

Authorised officers from Buckinghamshire Council and the Police will be able to enforce the restrictions and requirements of a PSPO. This can include issuing Fixed Penalty Notices.

The Fixed Penalty Notice for a breach of a PSPO is £60 if paid within 10 days, and £100 if paid within 14 days.

Desborough Road, High Wycombe Public Spaces Protection Order (PSPO)

The Desborough Road PSPO was introduced on 12 March 2020 to address anti-social behaviour in the public place.

The PSPO addresses the following types of anti-social behaviour:

- Person(s) shall not engage, loiter or solicit with a view to engaging in obtaining sexual services

For full details and conditions of the Order, please see the Desborough Road PSPO document.

Anyone continuing to carry out any of the above activities in the restricted area is committing an offence.

What we are proposing / consulting on

We are proposing to extend the Desborough Road Public Spaces Protection Order for a further 3 years.

An extension is being proposed to prevent:

- Occurrence or re-occurrence of the criminal activity and / or anti-social behaviour identified in the Order, or
- An increase in the frequency or seriousness of the criminal activity and / or anti-social behaviour identified in the Order

If not extended, the Desborough Road PSPO will expire on 11 March 2023.

We want to hear your views on how the PSPO is addressing anti-social behaviour in the area and whether you think the PSPO should be extended.
