### Overview

We want to hear your view on a proposal to merge:

- the Highlands and Watchcroft ward into the Buckingham North ward
- the Fisher's Field ward into the Buckingham South ward

As Buckinghamshire Council, we are responsible for reviewing local governance arrangements to ensure they meet local needs. Local governance arrangements are the processes in place for decision making that affects you and your local area. This includes how you and your local community are represented, such as by your local councillors at council meetings. It also includes who you can contact if you have a query about services in your area.

This review is called a community governance review and investigates whether:

- decisions made in your local area reflect the identity and interests of the local community
- arrangements are as convenient and effective as possible

### The proposal

Buckingham Town Council have requested that:

1. the Highlands and Watchcroft ward is merged into the Buckingham North ward
  - this would increase the number of councillors for this ward from 7 to 8
2. the Fisher's Field ward is merged into the Buckingham South ward
  - this would increase the number of councillors for this ward from 8 to 9

Buckingham Town Council propose that the changes would:

- better reflect the community identity
- ensure electoral equality
- promote efficient and effective local government

There would be no change in the overall number of councillors. The wards would keep the current names of Buckingham South and Buckingham North.

This proposal would not result in any changes to the new Buckinghamshire Council wards from May 2025.

Standards and General Purposes Committee considered the request at its meeting on 4 April 2024 and agreed for a CGR to be undertaken. View the meeting report at [buckinghamshire.moderngov.co.uk](https://buckinghamshire.moderngov.co.uk).

If the proposal is taken forward, the Reorganisation Order would be made in Autumn 2024. The Order would set out the timetable for change.
