

Comments from the Acting Returning Officer on the Polling Districts and Polling Places Review

Date: 6 November 2023

Nick Graham, Acting Returning Officer for proposed Aylesbury; Beaconsfield; Chesham and Amersham; Mid Buckinghamshire, and Wycombe Parliamentary Constituencies:

I am supportive of the review's proposals.

Sharon Bridglalsingh, Acting Returning Officer for proposed Buckingham & Bletchley parliamentary constituency:

I am writing to you to today regarding the proposals in your polling places and polling districts review.

I have reviewed the proposals and note that there are no recommendations to change any of the polling districts or polling places within the Buckinghamshire area of the proposed Buckingham and Bletchley constituency from what they are currently designated. As the Acting Returning Officer for the proposed constituency, I am supportive of the review's proposals for this area.
