### Overview

**We want to hear the views of local residents and organisations on the Neighbourhood Plan for Beaconsfield.**

In November 2020, the Parish of Beaconsfield was designated a neighbourhood area by Buckinghamshire Council. This followed an application by Beaconsfield Parish Council.

Beaconsfield Parish Council has now completed a period of local community engagement on the Beaconsfield Neighbourhood Plan and have submitted the final version to us.

The next stage of the process is for us, as the local authority, to carry out a public consultation on the submitted plan.

This is the final opportunity for local people to comment on the plan before it goes to independent examination.

The Beaconsfield Neighbourhood Plan includes policies to shape local development to:

- maintain a mix of uses in the town centre
- designate a green infrastructure network
- designate Local Green Spaces
- promote zero carbon buildings
- introduce a design code
- protect local heritage
- promote active travel infrastructure

- influence housing mix

If the plan passes independent examination, the next stage is a local referendum to see whether it has community support.

If the neighbourhood plan is supported, we will adopt it as part of local planning policy to assess planning applications in the Neighbourhood Area.
