*Regulation 70 CIL (Amendment) Regulations 2011 sets out the requirements that must be complied with in order to benefit from the CIL Instalment Policy.

The CIL instalment policy will apply in the following circumstances:

1. Where the Council has received the CIL form 2 'Assumption of Liability' prior to commencement of the development (Regulation 70(1) (a)).
2. Where the Council has received the CIL form 6 'Commencement Notice' prior to commencement of the development (Regulation 70(1) (b)).

Where either of these requirements is not complied with, the right to pay CIL by instalments will be lost and the full CIL liability will become payable in accordance with the Demand Notice issued by the Council.

Once the development has commenced, CIL payments must be made in accordance with the instalment policy. Where an instalment payment is not received in full on or before the date it is due, the total outstanding CIL liability becomes payable in full immediately (Regulation 70(8)(a)).
