Overview

We want to hear your views on proposals to split Bierton, Broughton and Kingsbrook Neighbourhood Area into 2 or 3 separate neighbourhood areas.

A neighbourhood area determines the area a neighbourhood plan will affect.

In September 2016, Bierton Parish Council applied for their parish council area to be designated a neighbourhood area. In 2020, the Parish of Bierton was split into 3 areas:

- Bierton Parish
- Kingsbrook Parish
- Broughton Hamlet Parish

On the 27 June 2023, Bierton Parish Council applied for its new parish to be designated as a standalone neighbourhood area.

Neighbourhood area proposals

To designate a neighbourhood area for Bierton Parish only, we need to split the existing neighbourhood area into either 2 or 3 areas:

- **proposal to split the existing neighbourhood area into 2 neighbourhood areas:**
 - one area with only Bierton Parish
 - another area with both Kingsbrook Parish and Broughton Hamlet Parish

- **proposal to split the existing neighbourhood area into 3 neighbourhood areas:**
 - one area with only Bierton Parish
 - a second with only Kingsbrook Parish
 - a third with only Broughton Hamlet Parish

Maps of the existing neighbourhood area and proposals are available at yourvoicebucks.citizenspace.com.

We want to know which proposal local residents and organisations support.
