Dear Sir or Madam

A355 Bowl Barrow Way (Beaconsfield Eastern Relief Road) 40mph Speed Limit and Rural Clearway - Statutory Consultation

Following the opening of the Beaconsfield Eastern Relief Road (BERR) in April this year, we have been working with Buckinghamshire Council to further promote the expeditious, convenient and safe movement of traffic, including pedestrians, along the route.

As a result, we are proposing the following:

- Formalising the existing 40mph speed limit on A355 Bowl Barrow Way from its junction with A355 Amersham Road southwards to the first street lighting column approximately 103 metres north of the roundabout with Minerva Way.
- Introducing a rural 'no stopping' clearway restriction on the full length of the A355 Bowl Barrow Way (between its northern junction with A355 Amersham Road to its southern junction with A40 Pyebush Roundabout).

What can you do?

If you would like to comment on the proposals or view the plan, please visit an online survey <https://yourvoicebucks.citizenspace.com/roads-parking/a355-bowl-barrel-way-beaconsfield-relief-road-st>, or use the QR code below, where you can submit your responses to have your say. Please submit any responses by Friday 13th January 2023.

We have to make responses to this notice open to public inspection. However, we will remove personal information such as your name or address.

What happens next?

Once the consultation has finished, all responses will be considered and form part of the decision making process. We will then formally advertise the making of the legal order based on the outcome of the consultation.
