

STATEMENT OF REASONS

HS2 TRANCHE 3: CALVERT GREEN TRAFFIC ISLAND

It is proposed to introduce a traffic island on Edgcott Road near the Cotswold Way junction, Calvert Green.

The table below identifies proposed traffic island for the road/junction named and the reason for proposing the changes.

Table 1- Road extents and the proposed traffic island on Edgcott Road

| Road Name (and extent) | Proposal | Reasons |
|---|-----------------|--|
| Edgcott Road, from a point approximately 25 meters north of the Cotswold Way junction | Traffic Island | To improve safety for road users by providing physical separation for right-turning vehicles from Edgcott Road into Cotswold Way, thereby reducing the risk of collision with southbound traffic |
