- Statutory Consultation

Dear Sir/Madam,

Padbury Signal Pedestrian Crossing – Statutory Consultation

We are planning to install a new signalised pedestrian crossing at Padbury, on the A413 London Road adjacent to Springfields, northwards of the new residential development. Following funding contributions provided by the developers of the new estate to Buckinghamshire Council, Transport for Buckinghamshire have been commissioned for the crossing's installation.

This will provide a new safe crossing facility for all residents, and in particular, children, wishing to access Padbury school to and from Boundary Road.

Please see the plan and notice below for more information. You may also view the plan and notice at our offices at The Gateway, Gatehouse Road, Aylesbury, HP19 8FF during normal office hours.
