Pinewood Road (near junction with Pinewood Green)	Signal-Controlled Crossing	For ensuring legal enforceability and consistency in accordance with Part I, Part VI, section 23 and section 122 of Road Traffic Regulation Act 1984.
Pinewood Green Junction with Pinewood Road	No Waiting at Any Time (Double Yellow Lines – to be effective 24 hours a day, 7 days a week)	These proposals have been put forward to resolve the issues of inadequate pedestrian and cyclist crossing facilities on Pinewood Road, high traffic volumes and speeds during peak times, and congestion caused by short car trips between Pinewood Studios and the Iver Heath retail area.

Pinewood Green (approaching the junction with Pinewood Road on the northern footway)	Conversion of existing footway to a pedestrian and shared-use path [See Schedule 1 below]	The conversion has been proposed as part of the scheme's aims in linking the shared-use path with the proposed Iver Cycleway.
Pinewood Green (approaching the junction with Pinewood Road on the southern footway)		Under Section 65 of the Highways Act 1980, Local Authorities can create these paths by converting the footway within the highway.
