August 2022

Dear Sir or Madam

Parking Review Rogers Lane – Informal Consultation

We are working with your Parish Council and Community Board to improve the parking situation for residents and school parents/users. The intention is to create a safer environment by putting in some more double yellow lines and mark out areas where it is safe to park.

We are also proposing to utilise the parking to assist reduce speeds particularly on approaches to the school entrances, without compromising the view between motorists and pedestrians.

What can you do?

If you would like to comment on the proposals or view the plan, please visit the *Your Voice Bucks* website at www.yourvoicebucks.citizenspace.com/ and look for “Rogers Lane, Stoke Poges Parking Review - Informal Consultation” where you will find a link to an online survey, please complete it by the 9 September 2022.

Alternatively, you can email us at: parkingtro@buckinghamshire.gov.uk or write to us at the address at the top of this letter with your comments. If you do not have access to the internet, you can find a copy of this letter and copies of all the plans at The Gateway, Gatehouse Rd, Aylesbury HP19 8FF during opening hours.

Under the Local Government (Access to Information) Act 1985 we are obliged to make any representations received in response to this notice, open to public inspection, however we will remove personal information such as your name or address.

What happens next?

Once the informal consultation has finished, all responses will be considered, and the plan will be amended accordingly (if necessary). We will then formally advertise the proposal based on your comments and make the legal order which will allow us to paint the lines. All going well we hope to implement the lines by the spring 2023. This web page www.yourvoicebucks.citizenspace.com/ will keep you updated about the outcome of the informal and statutory consultation.

Yours faithfully

A handwritten signature in black ink, appearing to read 'John Pateman', with a stylized flourish at the end.
