Ref: Saunderton Vale Restrictions

Dear Sir/Madam,

Saunderton Vale Waiting Restrictions – Statutory Consultation

Transport for Buckinghamshire have been asked to explore the possibility of implementing parking restrictions on the roads near to Saunderton Train Station. It has been suggested that parking in and around the junctions have been causing access and egress issues for residents and service vehicles. An Informal Consultation was held and the results from that formed the proposals to be put forward during this Statutory Consultation for Saunderton Vale and Deanfield Close.

As part of this consultation, proposals to add double yellow lines at the junctions, bend and chicane on Saunderton Vale will be consulted on. Proposals for restricted parking in Deanfield Close for an hour in the morning and an hour in the afternoon will also be consulted on. The restricted parking proposal aims to prevent any commuter parking displacement to Deanfield Close if restrictions are implemented in Saunderton Vale.

This Statutory Consultation will run from 18th June 2021 until 9th July 2021.

The consultation documents including Order and Plans showing the lengths of roads affected, together with a copy of the Statement of Reasons for proposing to make the Order can be found online at <https://yourvoicebucks.citizenspace.com/roads-parking/saundertonvale-statutory> where there is also the opportunity to comment or complete an online survey .

Objections to, or support for the proposals together with the grounds on which they are made – or requests to see the documents - must be sent in writing by 9th July 2021 to Transport for Buckinghamshire, The Gateway, Gatehouse Road, Aylesbury, Bucks HP19 9FF; or by email to parkingtro@buckinghamshire.gov.uk.

Under the Local Government (Access to Information) Act 1985 this Council is obliged to make any representations received in response to this notice, open to public inspection.

Yours sincerely
