Ref: Stomp Road, Burnham – Proposed
raised table

Dear Resident,

Statutory Consultation for the introduction of a raised table on Stomp Road, Burnham.

Buckinghamshire Highways are proposing to replace the existing speed cushions outside Nos. 109 and 111 Stomp Road with a full-width raised table incorporating an informal at-grade crossing facility. This will improve accessibility and safety for pedestrians, particularly children and parents travelling to and from Lent Rise School as well as the nearby playing area; and provide a more effective traffic-calming feature by encouraging reduced vehicle speeds and increasing driver awareness of pedestrian activity at this location.

Alternative locations along Stomp Road were considered. However, this is the preferred location due to its proximity to established pedestrian desire lines, the nearby school, and the favourable visibility available to both pedestrians and approaching motorists.

The proposal has been developed following discussions with the local Ward Members, Burnham Parish Council and Lent Rise School; and it has been designed to ensure that existing vehicular access arrangements serving Nos. 109 and 111 Stomp Road are maintained and will not be adversely affected.
