### **Overview**

**We want to hear your views about proposed changes to school admissions for 2026 entry.**

Buckinghamshire Council is the admission authority for all voluntary controlled and community schools in the council area. Each year we consult on any planned changes to the county admissions scheme, school admission rules (oversubscription criteria), published admission number (PAN) and catchment areas.

No significant changes are proposed to the county admissions scheme or the admission rules for either primary or secondary schools for 2026 entry.

However, following good practice advice from the government [Office of the Schools Adjudicator](#), they have been reformatted to provide separate admission criteria for both the main point of entry and in-year admissions.

Changes are proposed to increase the PAN for two schools and reduce the PAN for three schools following requests from their governing bodies. Increases to the PAN do not require formal consultation but a reduction to a school's PAN does require formal consultation.

Schools where an increase in the PAN is proposed:

- [Holmer Green Junior School](#)
- [Tylers Green Middle School](#)

Schools where a reduction in the PAN is proposed:

- [Lee Common Church of England School](#)
- [Marsh Infant and Nursery School](#)
- [Naphill and Walters Ash School](#)

We are proposing to extend the catchment of one school for which we are the admission authority - [Waddesdon Village Primary School](#) - following the closure of Westcott Church of England School. Other local academy/voluntary aided schools will be consulting on this separately to ensure the area previously included in the Westcott School catchment is included in at least one school's catchment area.

The Cabinet Member for Education and Children's Services agreed on 14 November 2024 to consult on these matters. This consultation will close on 31 January 2025 and then the 2026 voluntary controlled and community school admission arrangements will then be determined. This will be the subject of a council cabinet member or leader decision prior to 28 February 2025.

## Survey

### Changes to school published admission numbers

The published admission number (PAN) for a school is the maximum number of new pupils it will accept in a single year. Changes to the PAN usually occur when the local demand for school places changes.

An increase in the PAN generally reflects the need for more school places in the local area.

If a school's intake falls well below its PAN, this leads to pressure on its budget. This is because funding is received on a per-pupil basis, but the school is required to plan for enough teaching space, staff and facilities for the full number of possible pupils under the PAN. In these circumstances a school may decide to request a reduction in its PAN.

We are proposing to increase the PAN at these schools:

- [Holmer Green Junior School](#)
- [Tylers Green Middle School](#)

We are proposing to reduce the PAN at these schools:

- [Lee Common Church of England School](#)
- [Marsh Infant and Nursery School](#)
- [Naphill and Walters Ash School](#)

## Waddesdon Village Primary School catchment

We are proposing to expand the catchment for [Waddesdon Village Primary School](#) to cover part of the catchment area of the former Westcott Church of England School which closed at the end of August 2024.

The following local academy/voluntary aided schools will be consulting separately on this matter to ensure that the entire area that was previously in the Westcott School catchment becomes part of at least one school's catchment area:

- [Brill Church of England School](#)
- [Cuddington and Dinton Church of England School](#)
- [Grendon Underwood Combined School](#)

[Map of proposed Waddesdon Village Primary School catchment \(PDF 0.7MB\)](#)
